

Tranquil Décor

23" Redi-Basin

- Perfect for bubbling features!
- Includes internal support column for heavy loads
- Up to 300 lbs. with internal support column
- 20 gallon capacity
- 22" x 23" x 13½" tall

- 1.** Dig hole for the basin. Place Redi-Basin in hole and ensure it is level in all directions.

- 2.** Insert support column into notch in lid and prepare to align with notch in bottom of basin

- 3.** Attach lid to basin, insert tubing through and stand fountain upright.

- 4.** Attach pump to tubing. Place pump into basin and install access door.

- 5.** Fill with water, add decorative stone of your choice, plug in pump and enjoy!
